TASTY PASTIE

Nicki Minaj dresses deliciously in Paris

IT'S always BEER O'CLOCK somewhere – and it's always FASHION WEEK, too. Recently, it was the turn of Paris to play host to the planet's style-setters, but it wasn't an overpriced frock that stole the show. It was **Nicki Minaj**'s exposed chesticle!

The stunning 34-year-old, who's been feuding with fellow Yank rapper Remy Ma of late, temporarily forgot about "diss tracks" to instead release one of her BLISS STACKS.

Cunningly, she did so as part of a bizarre futuristic outfit – preventing the food-shunning fashionistas from criticising her in case it turned out to be the NEXT BIG THING.

And let's face it, there's NOTHING SMALL about Nicki's things.

They take a LOT of fabric to cover and if Ms Minaj wants to save a few bucks, we have some advice: cut yourself a second piece of ELECTRICAL TAPE and ditch the top altogether!

BAILEY'S Dream

Viola took her mother's advice and became a Euro-porn queen!

WHEN we asked Latvian lust merchant **Viola Bailey** how she got into the in-out, in-out biz, she said that it was all thanks to her MUM!

“My dream was to be a model/actress, but I’m too short to be a fashion model,” the 24-year-old revealed, “then my mother suggested I shoot for porn magazines ’cos it’s good money! Later on, my grandfather suggested I try is as well…and that’s how I got started.”

Wow, talk about a supportive family!

And speaking of SUPPORT, the star of *Double D Girls, Curvy Lesbians* and *Maid To Seduce* needs plenty of that to hold up those 34DD HOOTERS.

But as great as WE think they are, Viola doesn’t rate them: “I don’t like my breasts too much.”

Thankfully, the spunk is the only one who feels that way, which is why she’s become an in-demand sexy superstar in the past two years.

And she bloody loves it, readers!

“The best part is my dream of becoming a model and actress is happening. I play on camera and have photo shoots. I like doing it for the guys. I want them to have pleasure watching me.” ▸

'I'D LOVE TO BE IN AN ORGY'

When she isn't flat out baring her perfect pups and pudenda in photo shoots – or chowing down on VADGES AND COCKS with abandon in her rapidly expanding filmography – Viola chills out by playing video games.

"I love them," she says. "Every time I travel, I play when I have free time. Some of my favourites are *Skyrim, Oblivion, Grand Theft Auto 2, The Sims, Tekken, BloodRayne* and many more.

As for sexual fantasies, Viola's keen on a MORESOME: "I'd love to be in an orgy, but only with my boyfriend."

BOYFRIEND?! Hmmmm…looks like we're out of the picture.

Pity – sounds like a sex sesh with Viola would be out of this world.

"Sometimes I want it hard, so my boyfriend does it hard and fast," she purrs. "He FUCKS MY ASS and my face, puts his dick on my lips, uses toys in my ass and fucks my pussy, takes me in all poses and cums in my MOUTH."

Crikey! What would your mum say if she knew that?

FRESH AS A MAISIE

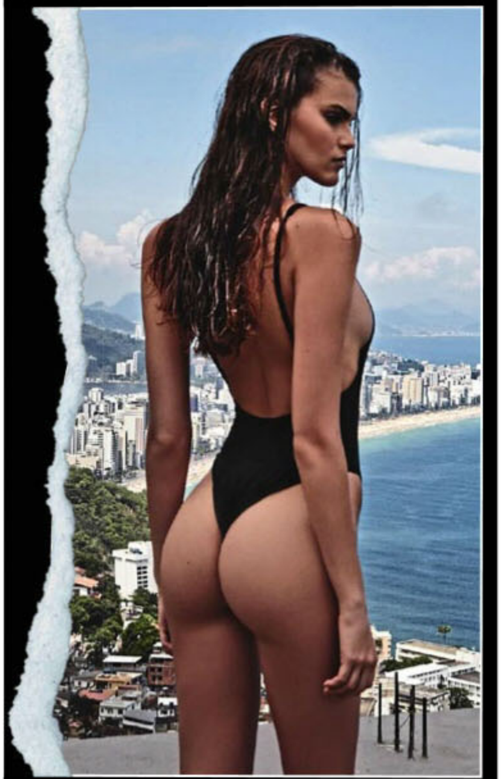
EX APPEAL

MTV UK's current top-rated program is *Ex On The Beach*, a reality show where young lads and lasses enjoy a vacation in a sunny location …along with a bunch of their exes. The latest season features this BRIT MINX – 20-year-old Maisie Gillespie. Oh, and two of her former squeezes. Here's what you've been MISSING, fellas!

DAMN, KAM!

FIGURE OF RENOWN

BRAZILIAN catwalker **Kamila Hansen**, 24, once told an interviewer her dearest dream was, "To be recognised because of my work." We're all about making DREAMS COME TRUE, so please study this Fe Pinheiro shoot of Kam from issue #34 of France's *Lui*. Then, when you run into her in Coles car park following the weekly shop, be sure to say, "G'day, Ms Hansen. Bloody loved seeing your silky PEAKS AND CHEEKS in that French mag."



WORTHY PROJECT

MICK IN THE NICK!

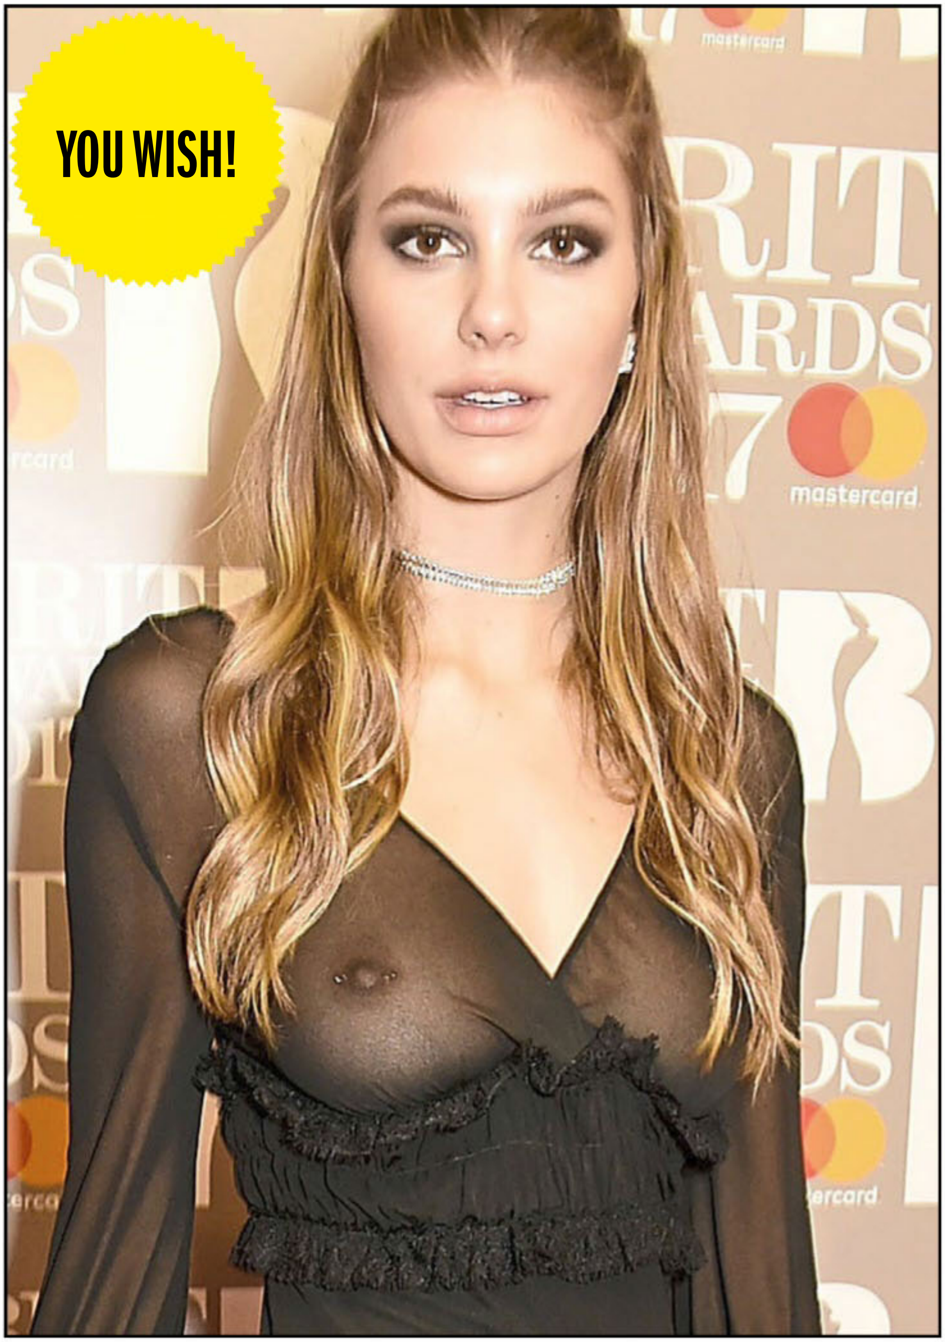
ON PAGES 12-15 of this ish, you'll find an article on memorable nude debuts. Coincidentally, that all-action spunkrat **Michelle Rodriguez** has chosen a VERY UNUSUAL flick in which to make hers at the age of 38. *The Assignment* tells the story of a hitman who is unwillingly given a sex change by a mad doctor (played by Sigourney Weaver), then becomes a HITWOMAN (played by 'Chelle) out for revenge at any cost. Our compliments to the surgeon!

SHARING THE LOVE

The freshest flesh on celebrity social media

Poor Cuban glamma **Vida Guerra** reckons she had to take this curve-tastic Instagram snap HERSELF. Stop messing around with automatic timers, Vida, and call *People*!

A graduate of the Oz version of *The Bachelor*, yummy **Kirralee Morris** reportedly posed for this shot after losing a bet with her bloke. Way to DRIVE US WILD, Kiki.



CHEB CAM

THERE'S little point getting your SUGAR BUTTON pierced, then hiding it under a bra – right, Camila Morrone? The 19-year-old was at an English music awards night when this golden moment was captured. Fuck knows why since she's Argentine-American and not a musician. She can apparently act, though, and will be seen in upcoming boozy biopic *Bukowski*, then the COMPLETELY UNNECESSARY Bruce Willis remake of *Death Wish*.

TATLER
THE NEW POSH

BLAB FAB

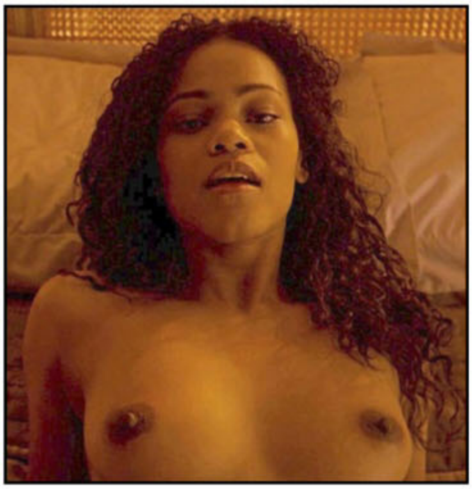
NICE ACCESSORIES!

GOOD to see a fashion rag with a sense of humour about its subject. "OOPS, ALL MY CLOTHES FELL OFF!" reads a line on the cover of the April edition of Pomland's *Tatler*. The corresponding pictorial has 24-year-old Dutch jaw-dropper **Rianne Haspels** wearing heels and NOT MUCH ELSE. Ri says she was discovered on Hyves, a social networking site in the Netherlands. If only we knew how to send a friend request...

LOREECE'S PIECES

BOLD AS GLASS

THREE seasons deep, creepy-as-hell sci-fi anthology *Black Mirror* is one of those shows folks with Netflix can't FRIGGIN' SHUT UP about. These screen grabs of lust-inducing Londoner **Loreece Harrison** come from the fifth ep of the third series – "Men Against Fire" – which is about a squad of future-Earth soldiers tasked with hunting and killing mutants known as Roaches. And about BEAUT TITS, obviously.



HELLO, I'M...

CASSIE FIRE

SHE'S a bit of a mystery, is Cassie Fire. We know she's Russian, 23 and SMOKIN' HOT, but the petite charmer just entered the porn bidness in 2016 and hasn't appeared in a heap of filthy movies yet. However, we hear Cass has been working her way across Europe recently, so youse will PROBABLY soon be watching her in films with glorious scenery and titles like *Roman Holiday Suckfest* and *We'll Always Have (Unprotected Anal In) Paris*.

GRAND UNVEILINGS

LINDSAY LOHAN

The Canyons (2013)

AFTER faking us out with a body double in 2010's *Machete*, G-rated prodigy-turned-sexy celeb mess Lindsay delivered on the promise of all her many wardrobe malfunctions with this AMAZEBALLS ROLE. Opposite porn dude James Deen, the then-26-year-old flaunted her JUICY NATURALS in sequences set in a lounge, shower and bedroom. You couldn't miss 'em.

ELIZABETH BERKLEY

Showgirls (1995)

IF EVER there was an actress unlikely to go the STARKERS ROUTE it was Liz, who found fame as straight-A student Jessie Spano in high school comedy *Saved By The Bell* (which she starred in from age 17-21). Nevertheless, just as brainbox Jessie went off to a prestigious uni, so Elizabeth moved on to an EYE-POPPING exotic dancer part in sleazy epic *Showgirls*.

JESSICA BIEL

Powder Blue (2009)

SOME dweebs will tell you that Jess flashed her bumcakes in 2005 indie *London*. She didn't – it was a body double. The ONE AND ONLY time the built brunette has uncovered her goodies on camera in her 23-year career was in ensemble fillum *Powder Blue*, which saw her brilliantly cast as a stripper with a passion for dripping CANDLE WAX on her fine frame.

UNFORGETTABLE NUDE DEBUTS

When these stars first shed thread, they nearly knocked us dead!

SOME actresses you never expect to appear in anything racier than an underwear scene, while others you suspect might FLOP OUT A FLABDAB under the right circumstances but wouldn't show their vadge on screen for any money. However, audience expectations and/or suspicions don't always equate to reality, and every now and then a starlet surprises the LIVING FUCK out of us by suddenly displaying way more flawless skin than she ever has before. This story is a celebration of the most WONDERFULLY SHOCKING movie or telly show nude debuts – cinematic strips that still hold a very special place in our hearts and our HAIRY BALLSACKS.

KATIE HOLMES The Gift (2000)

THE title of the picture in which Katie made her nude debut refers to the PSYCHIC GIFT of ESP...officially. As far as we're concerned, it actually refers to the PHYSICAL GIFTS uncovered by Ms Holmes. The fact the perky boobage materialised in the middle of her time on hit series *Dawson's Creek* – regularly rated No. 1 here in Straya – made it even more exquisitely unexpected.

ANNE HATHAWAY Havoc (2005)

TOP sort Anne has had an interesting life, which has included being duped by a MULTIMILLIONS-STEALING CONMAN. She was stunned to discover that her "property developer" boyfriend and his charity were bogus, though not as stunned as we were to see her go from Disney fare like *The Princess Diaries 1 & 2* to gazongas-out gang tale *Havoc*.

EMILY BROWNING Sleeping Beauty (2011)

NOTHING in Aussie beauty Em's back catalogue – from juvenile sci-fi romp *Thunderstone* to rural soap opera *Something In The Air* – could have prepared us for her performance in *Sleeping Beauty*. Playing a special kind of prossie who let old fogeys ROOT HER WHILE SHE SLEPT, the then-23-year-old declothed repeatedly!

KELLY PRESTON

Mischief (1985)

ANY wonder John Travolta married her! Kel delivered a STEADY STREAM of filmic nakedness from the late 80s to late 90s. Arguably, though, none of it surpassed her first full-frontal turn, in teen comedy *Mischief* at age 23. A perv that made watching her in the following year's geek adventure *SpaceCamp* weirdly arousing.

JENNIFER CONNELLY The Hot Spot (1990)

MODELLING for teen mags, pop singing in Japan, starring in fantasy masterpiece *Labyrinth*...what next? FRICKIN' NO-ONE predicted sweet Jen would decide, at 19, to do erotic thriller *The Hot Spot* – getting hot'n'heavy with a rogue played by Don Johnson, being blackmailed over LESBOTIC PHOTOS and treating us to her killer curves.

UNFORG

MAGGIE GYLLENHAAL Secretary (2002)

EMO kids were crying into their mugs of herbal tea when one of their darlings (along with her brother Jake) from the WILDLY OVERRATED *Donnie Darko* went on to portray a SUPER-SUBMISSIVE SECRETARY desperate to be dominated by her lawyer boss. The rest of us couldn't get enough of then-24 Maggie's skin-tastic, kinky sequences in *Secretary*.

ALYSSA MILANO

Embrace Of The Vampire (1995)

THESE days, she's a baseball pundit who has written a book on the subject and produces baseball clothing for women. However, Alyssa was once the BELOVED star of 196 episodes of FAMILY sitcom *Who's The Boss?* – and then, out of the blue, she was half-naked and totally yummy in trash horror picture *Embrace*, tag line: "The innocence is over." Indeed.

ALEXANDRA DADDARIO

True Detective (2014)

CABLE crime drama *True Detective*'s opening season may have boasted big names Woody Harrelson and Matthew McConaughey, but it was then-28-year-old Alexandra who generated the most headlines. The veteran of crappy genre flicks and one-episode mainstream TV cameos revealed a PREVIOUSLY UNSEEN body so hot it's a threat to the polar ice caps.

MOLLY RINGWALD

Malicious (1995)

HERE'S what Mol hid under her daggy 80s fashions in teen classics *Sixteen Candles* (1984), *The Breakfast Club* (1985) and *Pretty In Pink* (1986). It was another nine long years before smitten blokes could stop speculating about the cute redhead's BRAT-PACK RACK and ogle it for realsies in stalker yarn *Malicious*, but we're fairly sure there were ZERO COMPLAINTS.

ETTABLE NUDE DEBUTS

HEATHER GRAHAM Boogie Nights (1997)

HEATHER has spoken more than once about her strict Christian upbringing. How better to rebel than by exposing your BOOBS AND BUSH in a movie about the porn world? She'd been doing films for 13 years and never dropped trou before blowing us away as Brandi /Rollergirl in *Boogie Nights*. We've loved her bits to bits ever since.

CHRISTINA RICCI

Prozac Nation (2001)

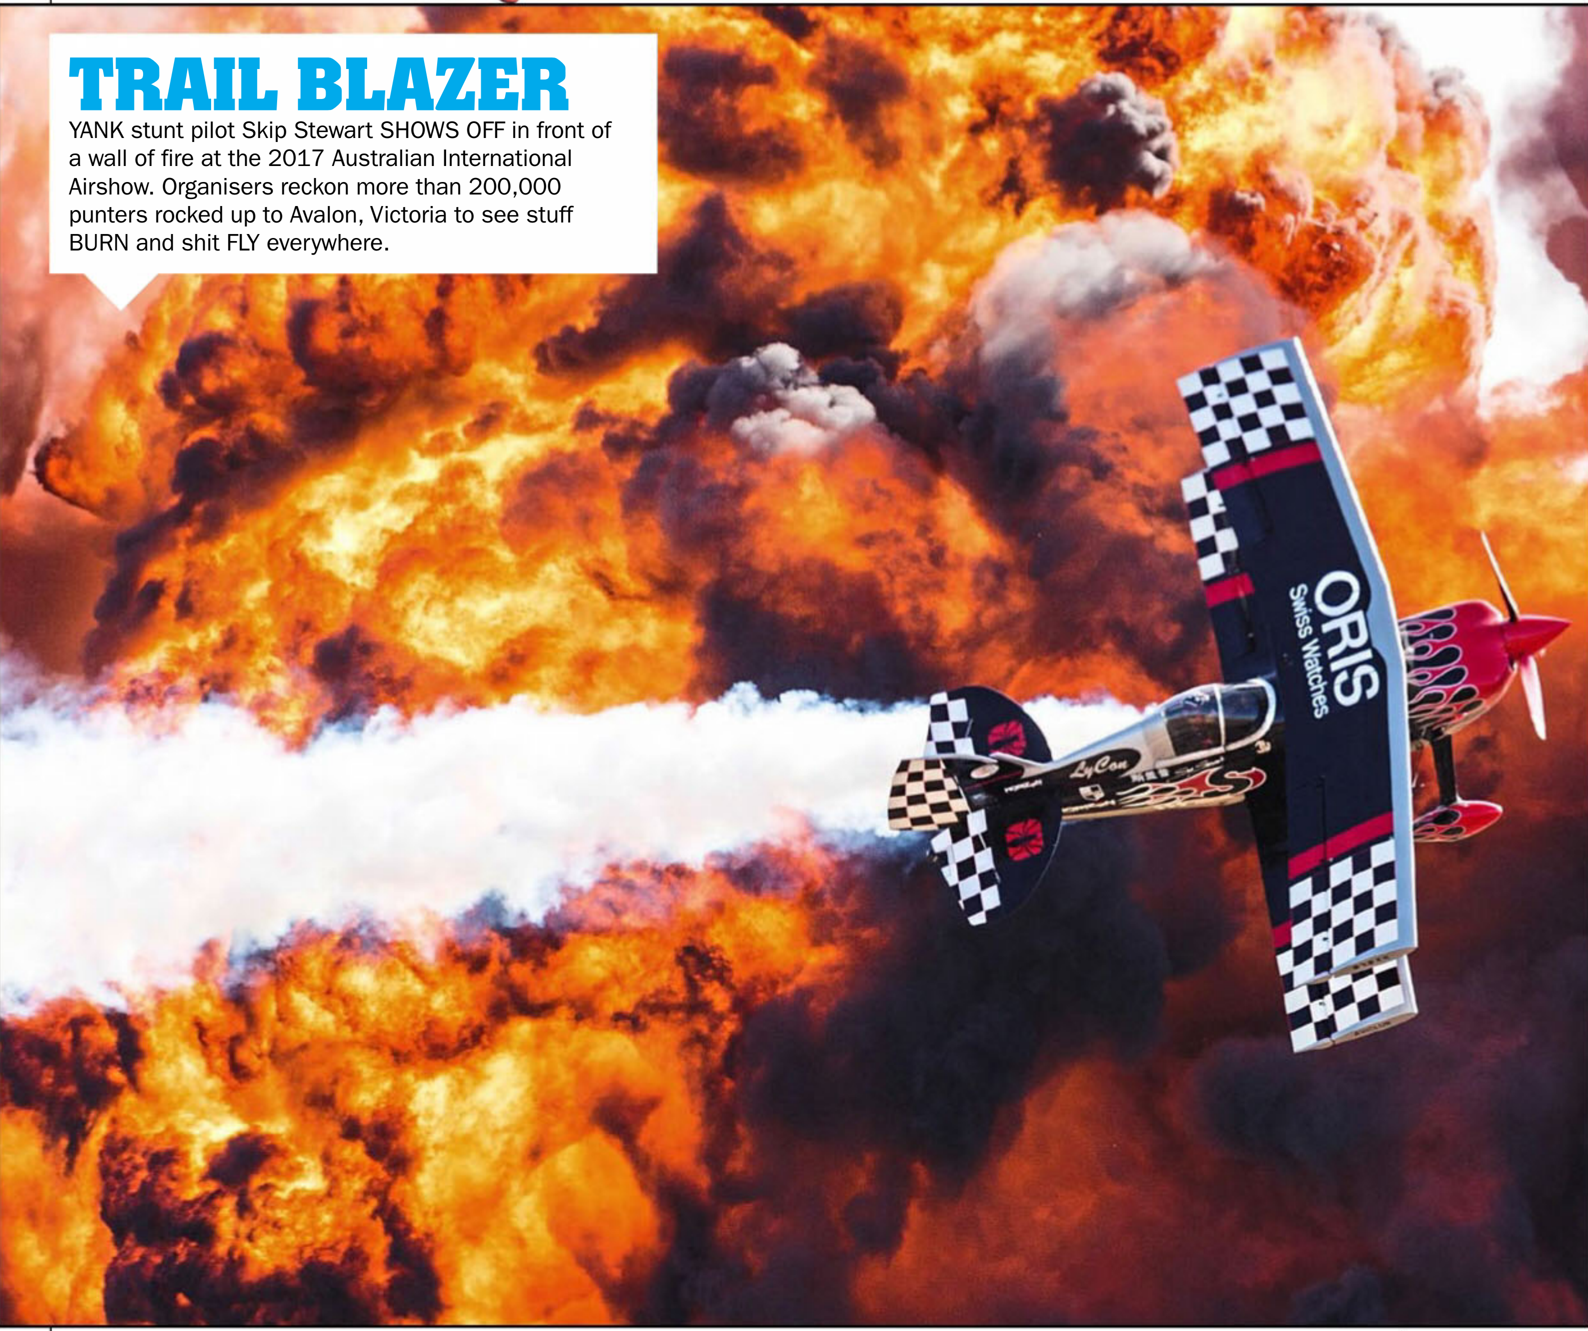
LET'S count the moshun pikchas petite spunk Chris made prior to *Prozac Nation*: one, two...miss a few...26! Now, admittedly Ms Ricci got into the business as a youngster, but some POOR FANS had sat through 26 flicks and fallen head over heels in lust with the actorette before finally WITNESSING HER WUMBAS. Fortunately, they were worth the wait.

NEWS TO US

Our fuckwit Bogdan presents another dose of weirdness

TRAIL BLAZER

YANK stunt pilot Skip Stewart SHOWS OFF in front of a wall of fire at the 2017 Australian International Airshow. Organisers reckon more than 200,000 punters rocked up to Avalon, Victoria to see stuff BURN and shit FLY everywhere.



TRADING KOs

THERE are even MMA fights and then there was the recent bout between Alan Vasquez (short shorts) and Axel Cazares (boardies) at the Shamrock FC 285 event held in Kansas City, Missouri. Less than two minutes into the opening round, both men connected with MIGHTY RIGHTS – and both went crashing straight to the canvas. So it was a draw, right? WRONG! Vasquez was the first warrior to remember what colour ORANGE JUICE is and wobble back to his feet, so the referee declared him the winner. Meanwhile, spectators who'd bet on Cazares were a TAD miffed.

I'm getting flashbacks to 'Nam. What a great Contiki trip that was!

FUCK-OFF FACTS

- For men, an average sex session burns 100-200 calories. But it only burns about 69 calories for women. Lazy fuckers!
- Male fruit flies that can't find mates are more likely to drink alcohol than ones that have successfully mated. We bet they're more likely to punch on at closing time as well!

ROADIES TO RUIN

SAVVY Seppo cops followed a trail of BEER CANS to find and recapture a runaway convict. Travis Pratt (below) escaped the Wise County Justice Centre in Virginia by stealing a truck, but was undone by all the empties that flew off the tray as he sped away. Like booze-sniffing BLOODHOUNDS, the police easily located the truck and Pratt, 39, in a driveway. After a quick foot chase, he was taken back into custody.

GOOD WOOD

THOUSANDS turned out for the annual Hodare Festival to celebrate fertility and marital bliss in Nagaoka, Japan. Chicks are ENCOURAGED to straddle a 2m-long WOODEN DILDO, believing it will bring them happiness and rugrats galore.

When I encourage chicks to mount my pole, I get slapped

SEXERCISING

EVER wondered how many calories you're burning in the bedroom while on the job? How many thrusts it takes? The speed of said thrusts? The DURATION of your COPULATION? You haven't? Well, then… the new i.Con condom probably ISN'T for you. Invented by the BONK-CRAZED BOFFINS at British Condoms, the doo-hickey promises to measure all of those things, as well as how often you shag, the girth of your penis, how many different possies you use and so on. Then you can post the information on Facebook for the whole family to see.

BUST A NUT!

GREAT production values, strong acting, a gorgeous cast – led by Aussie's own **Angela White** (right), **Valentina Nappi** and **Katrina Jade** – and studs with dicks the size of SMALL HOUSES. Yep, Axel Braun has gone all out in his latest pussy-stretching epic, *Busted!*

The fillum has a bit of a plot, too. Um, let's find the drunken notes we made about it…

OK. Viewers take a fly-on-the-wall look into the private sex-lives of five stunning chicks with huge bosoms, the morals of ALLEY CATS and a complete disregard for the sanctity of marriage.

Yep, these hitched honeys want A ROOT any way they can get it. Watching Angela suck on her nipples while getting ramrodded by veteran woodsman Tommy Gunn is worth the price of the DVD alone.

Just make sure you don't get BUSTED by your hubbies, ladies.

RATE YOUR STATE

The hottest sheilas from every corner of this wide brown land!

WE ALL think that the state we live in is the BEST in Australia for various reasons. Croweaters, for example, brag about their wines and fine collection of CHURCHES. Sandgropers big-up their mining industry and, er, Rottnest Island.

Top Enders are proud of their crocs and phenomenal ability to SINK PISS, while bananabenders bang on and on about the sunshine, beaches and their dominance at bloody rugby league.

Mexicans talk endlessly how AFL footy is “waaaaay better” than the other codes, and how they have the most entertaining CRIMINAL GANGSTERS around.

Apple Islanders prattle on about their beer, Granny Smiths and good-looking COUSINS. NSW will just offer you A JOINT and smirk (’cos they KNOW they really are the best state).

And we all try to ignore the ACT. (Nah, just kidding, we bloody love ya, Canberra!)

But when it comes to deciding which region has the HOTTEST BABES, well… things aren’t so clear-cut.

Which is why we have taken it upon ourselves to settle this BURNING ISSUE once and for all. Turn the page and check out the ladies we chose.

You will have to agree that our selections are excellent CLOTHES-FREE REPRESENTATIVES of their respective states, so let the SEXY BATTLE begin!

PERFECTLY SEASONED

LISA ANN SUPERFAN

I WAS pleased to discover that I'm not the only one sporting a raging boner for X-rated MILF Lisa Ann ("Gone But Not Forgotten", March 27). Every one of her photos screams, "I know I've got a killer body and I also know EXACTLY how to use it to drive men wild!" Don't stop running her just because she's got a regular job and left the porn industry!

Tone, NT

Tone, as long as we keep receiving feedback like yours and as long as there are nude shoots we haven't printed, Lisa Ann will never be too far from the pages of People. *Here's another saucier-than-an-explosion-in-the-Heinz-factory pic!*

FAREWELL, BILL

GAME OVER, MAN

LIKE most film fans my age (42), I was GUTTED to hear of the untimely passing of American actor Bill Paxton due to a problem after his heart surgery. *The Terminator*, *Weird Science*, *Commando*, *Aliens*, *Near Dark*, *The Dark Backward*, *Tombstone*, *True Lies*, *Twister*, *Frailty*, TV's *Big Love* and *Agents Of S.H.I.E.L.D.*... Bill was in a ridiculous number of my favourite projects. He will be FOREVER MISSED.

GP, NSW

We couldn't agree more, GP. Here's Mr Paxton in perhaps his most famous role, as Private Hudson in 1986 sci-fi actioner Aliens. *Rest in peace.*

WIN!

"I DON'T care if this picture was set up," writes **Tezza via email**, "'cos it's a ripper!" Suddenly, we don't feel like brushing our teeth anymore. Pass the Listerine.

EATIN' CHEATIN'?

DOGGONE MYSTERY

HOW on God's green earth do those professional eaters stuff SO MANY HOTDOGS (or whatever) down their skinny guts? Do they nip off halfway through the competition to puke in the loo?

Jace, NSW

They're not allowed to take a toilet break part-way, Jace, although there are plenty of rumours about intentional post-comp puking. One method used by competitive eaters is to train their stomachs to stretch by eating HEAPS OF JELLY. It's supposedly safe, but we don't recommend the practice.

(CAT) WALKING DEAD

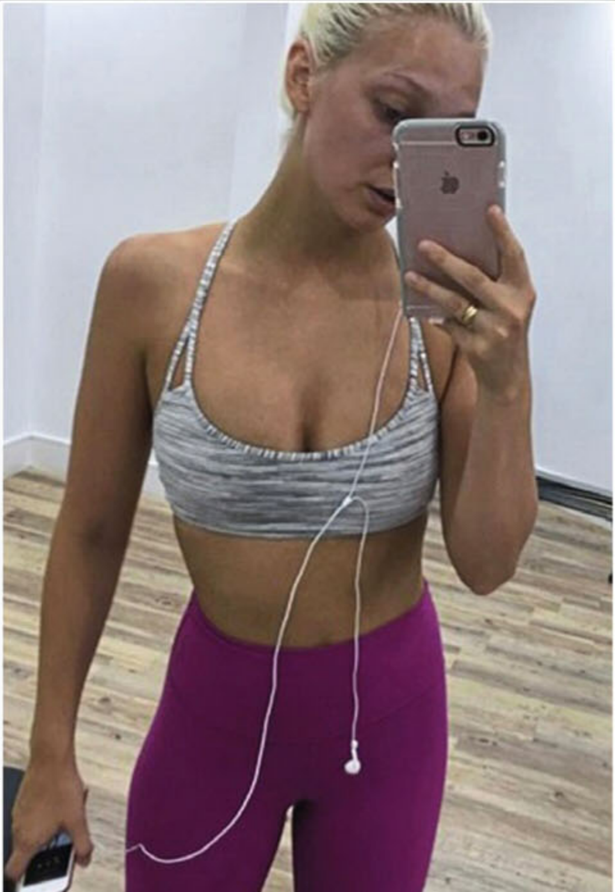
PRETTY POLLY

I WAS stoked to learn that Scottish model and actress Pollyanna McIntosh has a big role in the latest season of my fave TV show, *The Walking Dead* (right). She's HOT AS HELL, but I was wondering – has the spunk ever done any on-screen nudity? She has legs that go all the way up to her smoo!

Bob, Qld

She certainly has, Bob. Polly's MOST REVEALING scene is in 2011 horror movie The Woman *(far right), in which she plays a feral chick who lives like a wild animal in the*

Seppo woods. She's caught by a country fella who, along with his family, attempts to civilise her…with predictably terrible results.



GEORGIA ON HIS MIND

TORVI GUIDE

I'M A longtime reader who was a bit disappointed to say goodbye to long-running columns like *Bodysearcher*. However, you'll restore my faith in *People* if you can tell me who plays Torvi in the show *Vikings* and whether she's done any pics worth sharing.

R-man, Vic

Our pleasure, R-man. Torvi is played by Georgia Hirst, the sister of Maude Hirst (who plays Helga), and the daughter of the series' creator/writer, Michael Hirst. Georgia, 22, hasn't gone nekkid yet, but does post GYM SNAPS like this on her Instagram (@geehirst).

L YOU CAN EAT!

Queensland stripper's life as a busty buffet!

PHOTOS BY STEVE COON

FEAST your eyes on 25-year-old Sunshine Coast spunk **Castelle** and imagine using that TASTY bod as a PLATE while you tuck into your dinner. That's what happened to Australia's No. 1 stripper recently. We just hope all of those involved were using their BEST TABLE MANNERS!

HIYA, Castelle. What's the strangest thing that's happened to you of late?
"It was on Mardi Gras weekend in Sydney. I worked for some high-end Asian clients who paid to eat sushi and sashimi OFF A NAKED WOMAN (me!) in the most luxurious dining room I've ever seen. We all just acted as though it was normal!" ▸

AUSTRALIA'S #1 STRIPPER

‘I DON’T HAVE TO WORK TOO HARD TO MAINTAIN THIS BOD’

Sounds messy. What else has been happening for Oz's top peeler?
"I've been working my ass off (not literally, thank God). I was in Sydney, then the next week found myself partying in Las Vegas, followed by a week on the Gold Coast! It's a hard life. Ha ha!"

Any competitions lined up?
"We're just coming into Stripper Comp Season now – yes, that is a thing – and I'll be competing in Exotic Angels in June. I have a very sexy and cheeky show planned!"

No doubt! And one that'll show off plenty of that incredible body in the process. Do you have to work hard to maintain it, mate?
"Fortunately, I'm blessed! I'm half-Asian, so I don't have to work too hard to maintain myself."

If you could drag any celeb into your boudoir and make CRAZY LOVE, which bloke or babe would ya choose, Castelle?
"With everything going on in the media currently, I'd have to say Brad Pitt AND Angelina Jolie. I'd give them my own brand of marriage counselling..."

How can a guy make a good first impression on you?
"Be a gentleman, but upfront and firm. Oh, and ALWAYS TIP YOUR STRIPPER."

Always! You look comfy in these shower pics. Do you ever sing in the shower at home?
"Oh, God no! I'm a really horrible singer."

How about rooting in the shower?
"I always hear negative things about shower sex, but honestly, I'm a MASSIVE FAN. I love lathering each other up, making out, getting all wet..."

What are your plans for the rest of 2017, buddy?
"I'm spending a lot of time at Sinsations in Darwin, featuring as a showgirl. I'll also be back and forth between Jakarta, Sydney and NZ. Other than that, you'll just have to come find me – I'm on Instagram (@castelle.edwards) and Twitter (@castelleedwards) – but I'm sure it won't be too hard. Or maybe it'll be JUST HARD ENOUGH!"

SEXY SETTLER

AUSSIE DARLING

It's official: glamma import Eva is a Strine citizen!

REGULAR readers will fondly remember Scottish-born model **Eva Darling**, both for her BLONDE-GODDESS BODY and for her wild antics such as stripping off in a corporate box at the 2014 AFL Grand Final.

Well, the good news is that we'll NEVER have to farewell Eva from our shores now that she's become AN AUSTRALIAN CITIZEN.

And being the nosy buggers that we are, we asked the fair-headed stunna all about the experience…

"The minute I landed in this country, I knew I'd met my match," explains Eva. "The days and the guys were HOT, the beer was COLD and you all don't give a FUCK!

"For the citizenship process, I had to produce a few character references as I had some RED FLAGS come up, but I'm here now and you ain't getting rid of me!"

Won't she miss the TARTAN UNDIES off Scotland, though?

"I'll still visit occasionally as it's my homeland and part of me, and I have so much fun there. But now I'm officially an Aussie, I can go nuts on Australia Day! I can eat steak, drink beer and swear as much as I want. I'm here to stay. Tanned tits forever – yay!"

Top stuff. Let's hope Eva's decision to become a genuine local STARTS A TREND among gorgeous British pin-ups.

Who knows? In a couple of years, you could walk into your local FOOTY CLUB and find Lucy Pinder and Sophie Reade running the meat raffle. Topless, of course.

What a woman – and now she's all ours!

HOLIDAYS FROM HELL

"You'll notice a nude beach to starboard. Wait, don't everyone move to that side at once..."

Should have worn your monkey repellant, fella

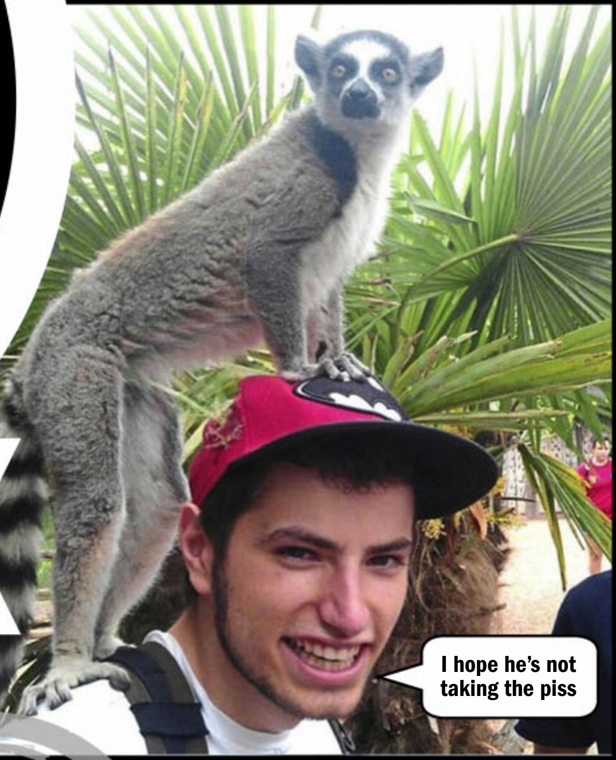
You have to wear a singlet AND sunscreen? Oh, NOW you tell me

Who says hatchbacks aren't comfortable?

NO FUN

You'll need a vacation after surviving these not-so-relaxing breaks!

As long as they sit there forever, the rental car will be fine



I hope he's not taking the piss

EVERY year, most of us will be nagged by our significant others to take time off work to travel "somewhere nice" for a holiday. Sounds good in theory, but vacations can GO TO SHIT for any number of reasons.

Maybe that expensive seaside villa you booked is actually located 10km from the nearest beach, which has been closed by the authorities due to "excessive SEWAGE in the water".

Perhaps the "authentic" street food you sampled in the first market you visited after stepping off the plane has given you severe BALI BELLY.

Or possibly you woke up in your tent in the middle of the night to find a dingo nibbling on your LEG.

As this collection of photos shows, a sinking ship, a touch of SEVERE SUNBURN or a BLOODY ELEPHANT sitting on your car will make your next getaway one to remember…for all the WRONG reasons.

It's simpler to bundle your missus and kids off to her mum's for the week while you trot down to your local and get hammered. It'll be safer…and HEAPS MORE FUN.

Tongue twister

A LONELY single woman creates a profile on Tinder that states, “I’m looking for a man who won’t beat me up or run away. Must be a great lover.”

She gets plenty of responses, but none appeal to her till she receives a response from a fella who seems great. They arrange for him to visit her at home.

The chick gets herself looking schmick and is feeling all tingly in the loins when she hears her doorbell ringing.

She answers the door and is shocked to see the guy is a quadruple amputee.

“Don’t be alarmed,” he smiles. “I’m your perfect partner. I’ve got no arms and no legs, so I can’t beat you OR run away.”

She pauses and says, “But I also want someone who’s a great lover.”

The guy grins, “Hey, I rang the doorbell, didn’t I?”

Toeing the line

IT’S a busy day in heaven and God’s trying to keep the production line running.

He bellows out on the holy megaphone, “All right, listen up! I want all of the blokes in two lines. Everyone who was in charge of their household, stand on the left. Those blokes whose wives were in charge, stand on the right. Women, go with Saint Peter.”

When the shuffling and queuing is done and everyone’s still, the line on the right stretches for hundreds of miles. On the left, there’s only one bloke. God can’t believe it.

“I created you bastards in my image and this is how you repay me?” he screams. “You bunch of feeble jerks!”

God turns to the lone chap on the left and asks, “What about you? How can you show these others the way?”

The bloke looks nervous, then says, “I don’t know. This is where my wife told me to stand.”

All in the family

A CATHOLIC, a Mormon and a Jew are shooting the breeze together at work.

The Jewish bloke says, “When we have our next kid, me and my wife will have enough for a basketball team!”

The Catholic bloke says, “That’s nothing. When we have our next kid, we’ll have enough for a cricket team.”

The Mormon bloke says, “Well, when I marry my next wife, I’ll have enough for a golf course.”

Sex pest

A MARRIED woman was having an affair with a pest exterminator, who’d bang her in his lunch hour whenever he could.

One day, they were lying naked in bed when the woman’s husband arrived home.

“Quick!” she said. “Hide in the closet.”

The pest exterminator managed to jump inside the wardrobe before the woman’s hubby entered the room.

Finding his wife in a messy bed with sex funk in the air, the bloke was suspicious. He searched the room and found the exterminator hiding in the closet.

“Who the fuck are you?” he asked.

“I’m a pest exterminator from No More Bugs,” said the bloke with a nervous smile. “We received a complaint about moths.”

“Really?” said the husband. “Where are your clothes, then?”

The exterminator looked down at his nude body and cried, “Those little bastards!”

Soleful lover

AN OLD chick goes into a country pub and approaches a burly truckie with size 15 boots.

“Is it true what they say about blokes with big feet?” she asks.

He tells her there’s only one way to find out, and they go off to a motel to do the wild thing.

The next morning, he gets up to leave and she hands him $100.

He’s flattered by the gift, but can’t help asking, “What’s this for, love? No-one’s ever given me money after sleeping with me.”

She pats him on the head and says, “Buy yourself some shoes that fit.”

Wisely, Johnno heads to the other home, where the door is answered by a perfectly normal middle-aged fella, who gives him directions and even draws him a map.

As he's leaving, Johnno stops and asks, "By the way, what's the deal with your horny neighbours?" He then explains what he saw through the window.

"Oh," he says, "that's the Smiths. They're deaf. She's telling him to milk the cows, while he's telling her to go fuck herself."

What a pill

A DAIRY farmer wants to increase the size of his herd, so he buys a stud bull from his mate to service his cows.

His mate comes over a couple of weeks later to see how it's all worked out.

"It's been OK," the farmer says. "That bull's a frisky bugger, though. I fed him these pills I got from the vet and he poked all my cows in one go. He then broke though the fence and rooted all my neighbour's cows as well."

His mate laughs and asks what sort of pills they were.

"I'm not sure," says the farmer, "but they tasted like peppermint."

Cold shoulder

ANTHONY is sitting in the back of a taxi, and wants to get the driver's attention. He leans forward and taps the cabbie on the shoulder.

The driver almost jumps out of his skin, screams, rides up the pavement and stops only inches from a glass shopfront and several pedestrians.

There's a moment of silence, then the driver says, "Mate, never do that again. You really scared me – I could have killed someone!"

"I'm sorry," says his passenger. "I never expected a little tap on the shoulder would make you do that."

"It's only my first day behind the wheel of a taxi," explains the driver. "For the past 10 years, I drove a hearse."

RECORDS & STATS TRIVIA BOOK

By Ian Collis
New Holland, out now,
RRP: $14.99

Within its pages are records about all of the legends – Messenger, Gasnier, Fulton, Beetson, Lewis and more – plus champion clubs, memorable matches and record-breaking feats. Get this book and put your pub quiz mates to shame.

CUBE & CUBE ZERO

Via Vision, out now,
RRP: $29.95 (DVD/Blu-ray)

What's the guts? One of the best sci-fi thrillers ever made, 1997's ***Cube*** (M) is about six strangers trapped in a prison of connected cube-shaped chambers, some of which are armed with lethal traps. None of the folks know how or why they were imprisoned, but despite their differences they have to work together to escape. Except...not everyone in the group has good intentions and if they want to survive the traps, they must first survive each other. This 20th anniversary special edition has a ton of cool extras, too.

Anything else? In the 2004 prequel ***Cube Zero*** (MA), we find out who created the Cube prison and why. Technician Eric must help innocent Cassandra when she's accidentally imprisoned inside one of the deadly rooms.

Final word: The shape of things to come?

Chevy Chase is at his zany best as newspaper reporter Fletch, a master of disguise on the track of a huge story involving drugs, police corruption and murder. In the 1989 sequel ***Fletch Lives*** (PG), our hero inherits a plantation, but it seems he's not the only person who wants the land. Why is it so valuable and why are so many people winding up dead?

Anything else? Steve Martin's big-screen debut was in 1979's ***The Jerk*** (M). In this outrageous comedy, he plays Navin Johnson, a dummy whose odd inventions make him an unlikely millionaire. He finds a girlfriend, then loses his fortune...all while trying to survive attempts on his life by a maniac.

FEMME FACTS

WHEN she's not doing nude modelling for a living, **Cara Mell** enjoys travelling and dancing: "I had ballet classes when I was younger. It's come in handy as I've maintained an athletic body and I'm very supple, which is useful for striking poses."

‘I DIPPED HIS COCK IN A JAR OF HONEY’

MAKING a welcome return to our pages is **Cara Mell**, she of the punny name and rockin' bod. She admits her handle is made up, but it's quite appropriate as she really enjoys sucking on sweet things – like M&Ms and HONEY-COATED DICKS!

DO YOU have a sweet tooth, Cara?
"Absolutely – caramel popcorn is my weakness. Also, M&Ms. I can eat them by the handful, but I have to be careful. I don't want to put on weight. It wouldn't be good for my modelling career."

Ever incorporated sugary treats into your sex-life?
"I once went all *9½ Weeks* with an ex. We sat on the kitchen floor and he inserted chocolate-coated strawberries UP MY SNATCH, then ate them out. I returned the favour by dipping his cock in A JAR OF HONEY, then licking it off."

'MY FAVE POSITION IS FLAT ON MY STOMACH'

Sounds sticky...
"It tasted like honey and, after he came, like SALTED CARAMEL."

How do you start your mornings?
"With a long, leisurely bath if I don't have a photo shoot. I'll pamper myself with lots of bubbles and bath oils. I usually have A LEISURELY WANK, too. I'll either use my fingers or, if I'm feeling LAZY, I'll turn on the tap and let the stream of water do the trick."

Preferred way of fucking?
"Reverse cowgirl is nice, especially as it's quite easy to then move into doggy. Actually, my favourite position is to be flat on my stomach with the guy thrusting while lying on top of me – it's relaxed and STIMULATING at the same time."

Any plans to return to Australia?
"Maybe this year, if I can get some work down there. I want to fuck a suntanned Aussie in the outback – something else to tick off my bucket list."

WE'D had a few glasses of champers when Helga suggested we do something special to really celebrate our anniversary.

"Let's relive our wedding night!" she squealed. She put on some white stockings, a garter belt, then donned her bridal dress and veil.

She looked as good as she had done on our big day 10 years earlier, if a little more VOLUPTUOUS.

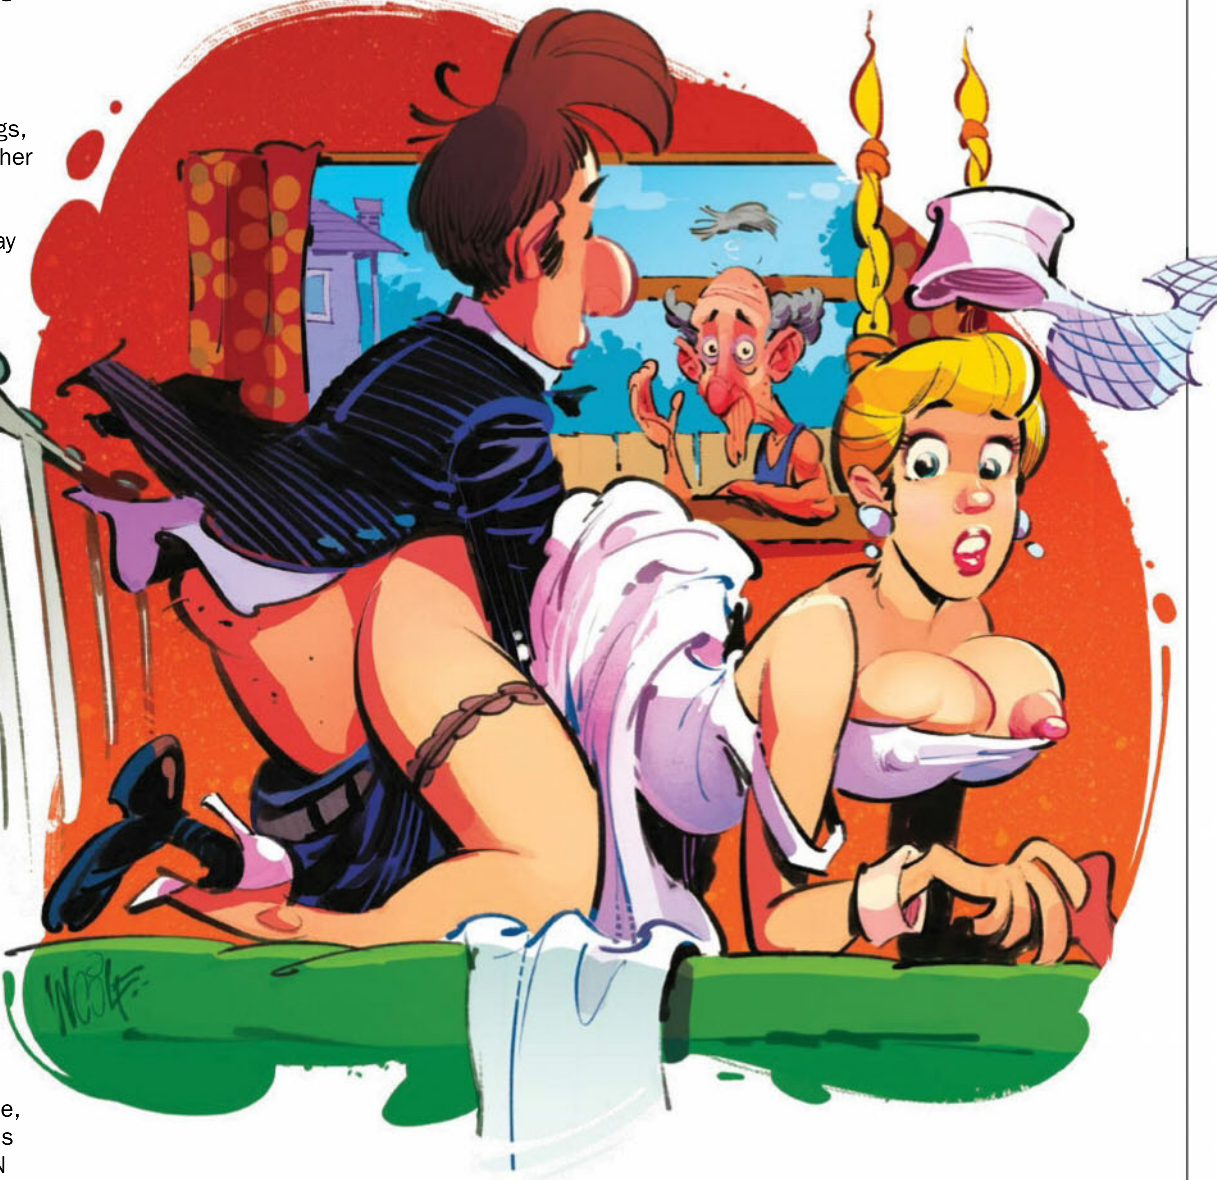
I squeezed into my three-piece suit – it was TIGHT AS BUGGERY, but I knew the pay-off would be well worth the discomfort.

"Carry me over the threshold, darling," Helga cooed as she opened the front door.

Making sure that there were no nosy neighbours in our sleepy lil' country town spying on us, I gingerly carried my wife from the front door into our bedroom before plonking her on our bed.

"Now, come get that garter belt," she cooed, before adding, "with your TEETH!"

I unbuttoned my coat and slowly crawled up Helga's legs, but when I saw her glistening blonde muff winking invitingly at me, I gave the garter belt a miss and started MUNCHING ON HER PUSSY instead.



BEDDING CRASHER

Helga groaned with pleasure before getting on all fours.

I hiked her wedding dress over her arse and gave her a tongue-lashing.

Once she was nice and ready, I whipped out my stiffy and started giving her what for, doggy-style. Helga was thrashing her head from side to side and had her face buried in a pillow to stifle the screams of ecstasy.

'HER BLONDE MUFF WINKED INVITINGLY'

I was on the VINEGAR STROKE when I heard a noise – it was my elderly neighbour Ted knocking on the window.

"Sorry to bother you two," he said apologetically, "but could I borrow your lawnmower, please? Mine's buggered."

"Er…yeah, Ted. I'll be right with you." I hurriedly pulled up my strides while Helga dived off the bed, but it was too late. Ted had seen us and soon the whole town would bloody know!

FANTASTIC FIVESOME

IF I TOLD you that I fucked four of my guy friends together, you might suspect that they talked me into it. Nope – it was my idea and I was in TOTAL CONTROL.

"You're going to do exactly what I say," I instructed them, "and I'm going to give you the time of your lives."

I know I've got a SLAMMIN' BODY and they couldn't stop staring as I undressed and ordered them to do the same, inspecting their equipment before making my choices.

Kevin was hung like a horse, so I wanted him in my SNATCH. Rod had a small rod – the best choice for my TINY ARSEHOLE. Lenny's long, thin prick would be my "ski pole".

'IT'S NOT EASY TO TAKE ON FOUR FELLAS AT ONCE...'

Nigel's dick was the prettiest of the bunch, so it was the one I chose to wrap my lips around.

It's not easy to take on four fellas at once, but when the woman's calling the shots it IS possible to get into a position where EVERYONE'S HAPPY and none of the horny guys are getting in each other's road. So...

They fucked, they fucked, I wanked and I sucked.

The feeling was BEYOND WORDS. I was left with jizz dripping from all three orifices and running down my arm.

FURRY FUCKER

WHEN Michelle told me she had a huge surprise in store, I wondered what it could be. We'd been dating for a couple of fun weeks but HADN'T FUCKED YET.

When I arrived at her flat, Michelle let me in and my jaw hit the floor. She was dressed from head to toe in a GIANT FOX SUIT.

"I'm a furry!" she declared. "What do you think?"

I was a bit nonplussed, but when she told me she preferred to bonk in the outfit, I changed my mind.

"I'm a SEXY VIXEN," she purred as she danced around the living room. Michelle undid a cloth flap under her tail, bent over the couch and glanced back at me. I assumed she was giving a "come hither" look beneath the fox mask.

'MICHELLE UNDID A CLOTH FLAP UNDER HER TAIL'

"Anything once," I thought to myself. I knelt behind her, lifted the flap and stared at Michelle's SWOLLEN, DRIPPING SNATCH. She was certainly primed for action.

I stood, dropped trou and swiftly entered her. I gripped her hips through the suit and worked up a solid rhythm.

Michelle growled and yelped like a real fox throughout till at last she whimpered, "I'm cumming, honey. But please don't blow in me or on the suit – it'll cost a fortune to dry-clean."

When I felt that familiar tingle in my balls, I did as she asked and pulled out, SPURTING MY CHOAD LOAD on the floorboards.

Michelle and I dated a few more times before we went our separate ways. We didn't root again, either. It was just a BIT TOO WEIRD.

ADULT EDUCATION

I HAD the hottest art teacher in Years 12 called Ms Price.

I'd love to be able to boast I was an 18-year-old stud and banged the blonde in the ART STOREROOM or something, but I didn't. I rooted her years later, at the end of a bender…

It was one of those ugly Saturdays where we started drinking after lunch and everyone was pissed by 5pm.

One by one, my mates made excuses and went home, leaving me in a strange bar staring at a sexily dressed MATURE CHICK.

Then it hit me: it was my old art teacher, Ms Price!

Full of liquid courage, I walked over and struck up a convo. She was still attractive in the same 80s-ERA MADONNA way.

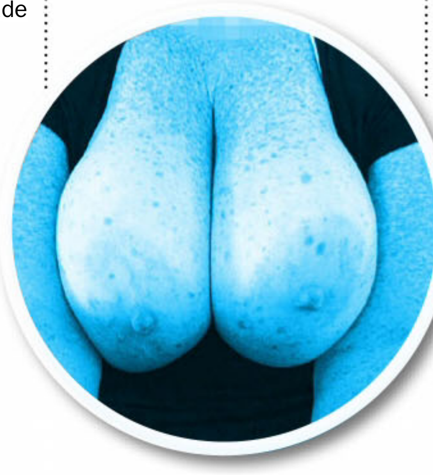
Even better, she was still a Miss and not a Mrs.

We laughed about how terrible a student I'd been, and I revealed that every lad in the class had secretly fancied her.

Under the table, Ms Price ran a hand up my leg to my SMOO-SEEKING MISSILE, asking, "And do you still fancy me now?"

The next thing I recall, I was lying on her bed, reaching up to fondle her lightly freckled funbags as she rode me like a MELBOURNE CUP JOCKEY hitting the home straight.

'SHE RODE ME LIKE A MELBOURNE CUP JOCKEY'



Although she'd repeatedly asked me to call her Mel or Melinda, when I emptied the WHITE PAINT from my flesh-tube, I distinctly remember calling out, "Ms Price!"

She fell asleep with her head on my chest, but the next morning she was ALL BUSINESS, making me toast and coffee, then sending me packing.

Pleasure TIMES THREE

YOU had an interesting reaction to your first triple anal scene, we hear.

"It was only the second time in my life that I ever cried from sex. It was overwhelming PLEASURE. I was laughing and crying; it felt so good."

Was three stiffies a bit...uncomfy?

"No. If you would have asked me this at the beginning of my career, I would've said yes, absolutely. The first time I did double anal, it didn't hurt but it wasn't pleasurable [at first]...it started feeling good, yes, because when everything's being squished, you HAVE to have an orgasm."

Sure. But still...THREE!

"They didn't hurt at all. I was completely relaxed and I had the best 10-minute experience that you could have with male talent in that scene. They were really good with my butt and made me feel comfortable and made sure I enjoyed it."
